

Please STOP:

- Please STOP all unnecessary travel – all necessary visits to public spaces like grocery stores individuals should maintain 6 feet apart. NO children should accompany adults to any public spaces
- Absolutely NO group gatherings (e.g. birthday parties, weddings, funerals, etc.)
- Do not have visitors over to your home
- Do not have any sleepovers, playdates and other social interactions with friends
- Avoid all public spaces or crowded stores

USE CAUTION:

- Please limit contact with family members that are 60 years and older or those with a chronic medical condition (such as heart disease, hypertension, lung disease-COPD, diabetes, pregnant). The virus seems to be at a higher risk to develop complications with these groups.
